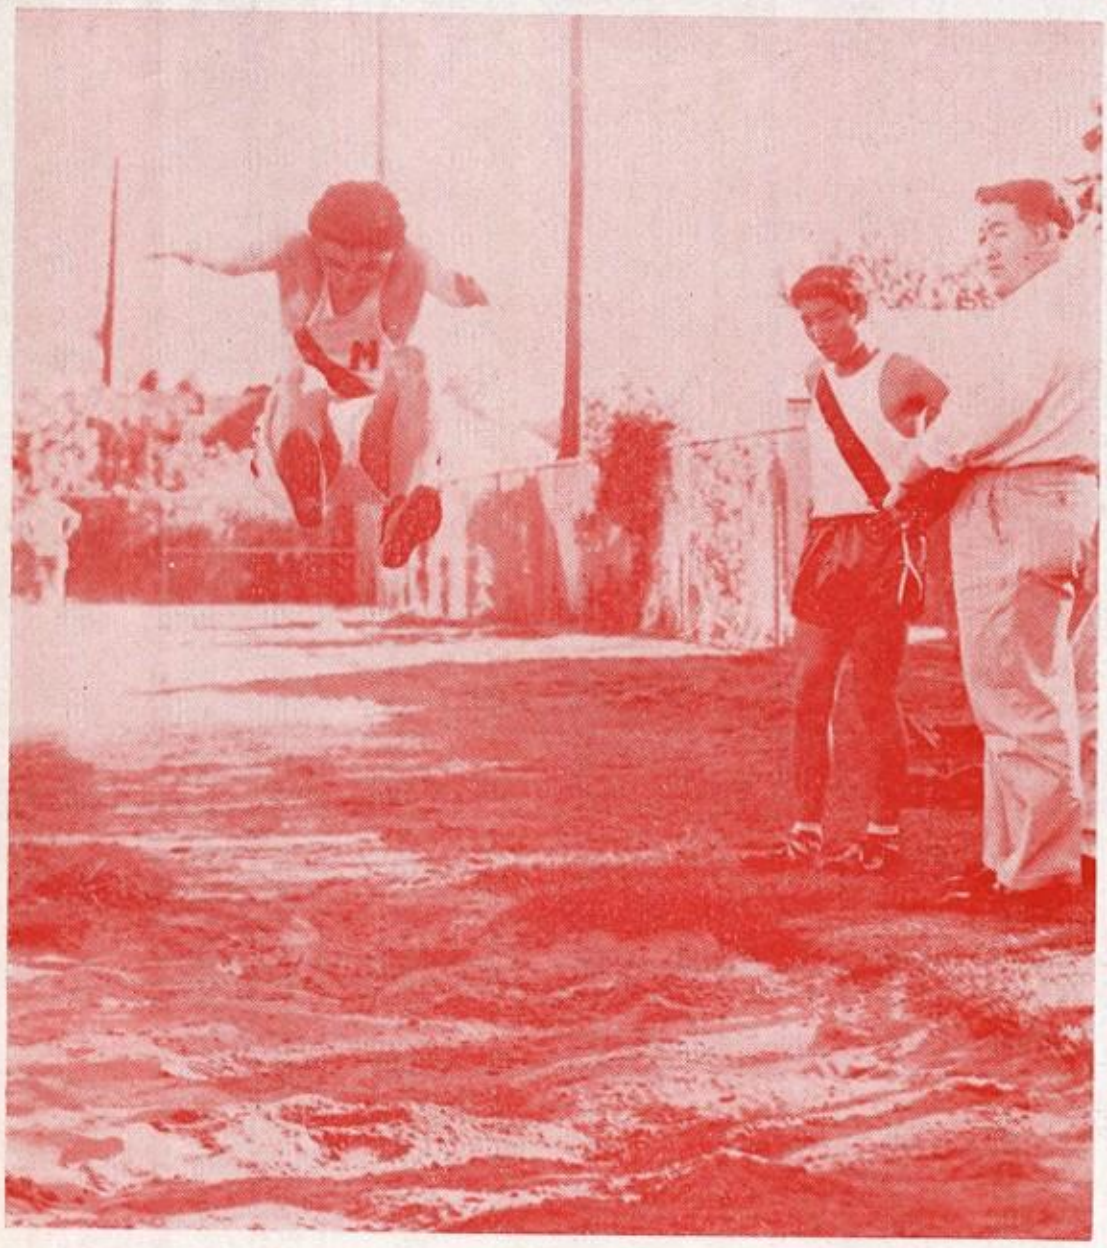
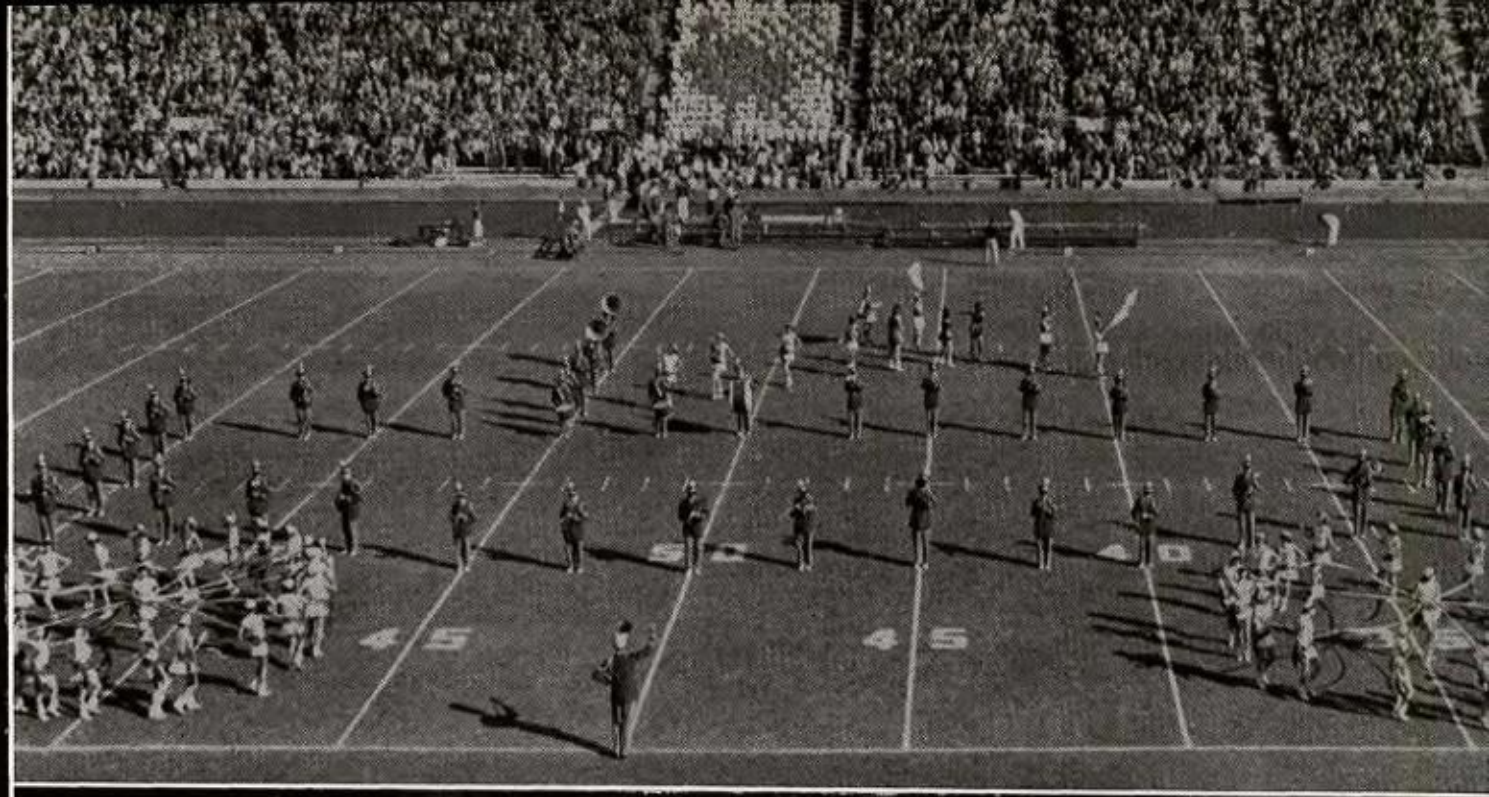
BOYS AND GIRLS STATE REPRESENTATIVES

These students were McClatchy's representatives at Boys and Girls State last summer. They learned to understand the structure and functions of our government as well as the privileges, duties, and responsibilities of American citizenship, because they actually took part in organizing city, county, and state governments.



SPORTS



FOOTBALL SIDELIGHTS

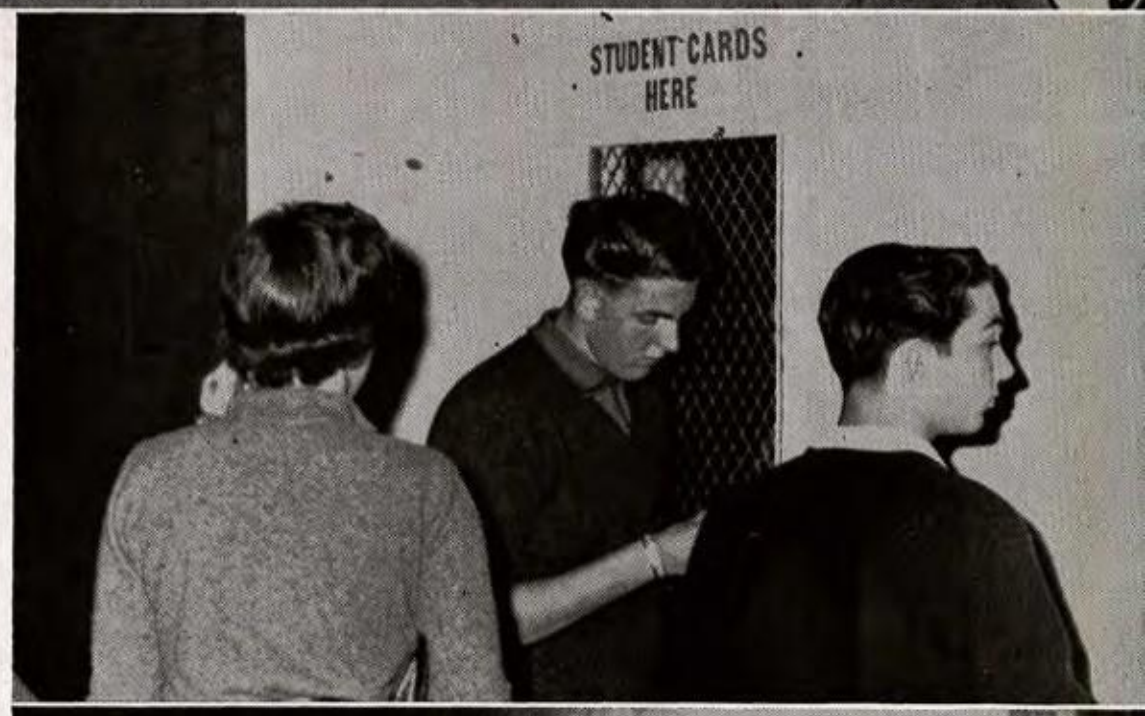
These are the many events that we, the spectators, associate with football.

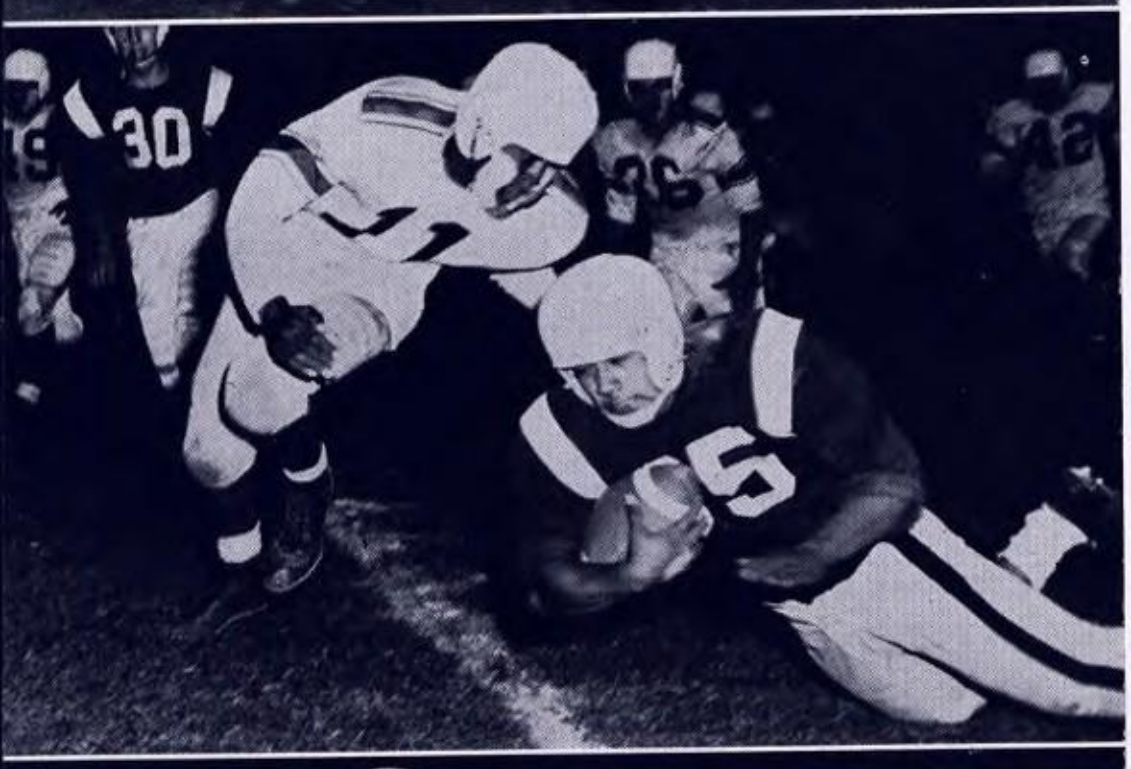
Well remembered parts of the wonderful fall sport are such aspects as:

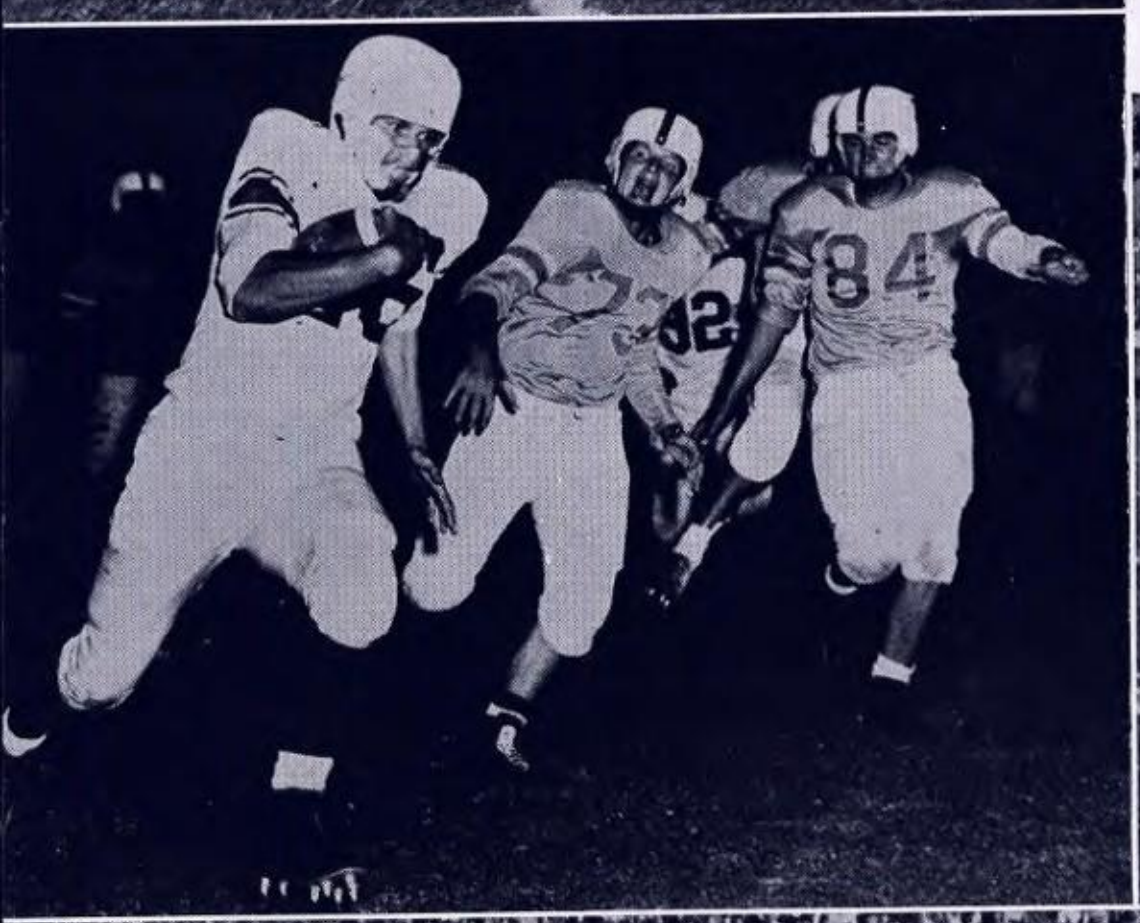
The arrival at the field

The half-time activities

The after-game dance







FOOTBALL ACTION

McClatchy's football team, headed by Coach George Bican, provided many thrills for McClatchyites last fall. They displayed the fighting heart and dauntless spirit of a championship team.

A'CAPPELLA CHOIR

The A'Cappella Choir, a selected group of singers, enjoyed preparing programs for special assemblies, graduation, and clinic programs. Several of its members have appeared as soloists in the Variety Show. This group was given a "Superior" rating at the Golden Empire Music Festival. They were directed by Miss Gebbet.

SENIOR BAND

Our C. K. McClatchy Band has helped bring forth strong school spirit when playing for our fall and spring semester rallies and our halftime activities during the football season. Other activities were participation in parades, the Music Festival, and P.T.A. concerts.

SENIOR ORCHESTRA

The Senior Orchestra has presented our student body with many entertaining programs. They have also taken part in the city-wide Music Festival, P.T.A. programs, and the graduation exercises of both graduating classes. This spring they received a certificate of "superior rating" at the Golden Empire Music Festival.
